John Stewart	

### Representatives to the General Court:

Roger C. King (Deerfield)
John Stimmell (Northwood)

# The State of New Hampshire

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 6:00 P.M.

To the Inhabitants of the Town of Deerfield in the  
[L. s.] County of Rockingham in said State, qualified to vote  
in Town Affairs:

You are hereby notified to meet at Deerfield Town Hall in  
said Deerfield on Tuesday, the fifth day of  
March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:  
and school district officers

1. To choose all necessary Town Officers for the year ensuing.
2. To decide, by ballot, whether the Town is in favor of having the Tax Collector elected for a three year term, beginning in 1975.
3. To decide, by ballot, whether the Town is in favor of having the Town Clerk elected for a three year term, beginning in 1975.
4. To decide, by ballot, whether the Town is in favor of having the Town Treasurer elected for a three year term, beginning in 1975.
5. To decide, by ballot, on the proposed amendments to the zoning ordinance as proposed by the Planning Board.

THE FOLLOWING ARTICLES WILL BE TAKEN UP AT 8:00 p.m.

6. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriations of the same.
7. To see if the Town will authorize the selectmen to hire money in anticipation of taxes.
8. To see if the Town will authorize the selectmen to sell property acquired through tax collectors deeds.
9. To see if the Town will vote to raise and appropriate the sum of \$1,326.59 for Town Road Aid. The State to contribute \$8,843.94.
10. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purpose of making improvements on Class 5 roads within the Town, such roads to be selected by the selectmen. Such sum to be raised through the issuance of bonds or notes, under and in compliance with the provisions of Chapter 241, N. H. RSA, 1955, and to authorize the selectmen to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town.
11. To see whether the Town will vote to authorize the Selectmen in the event of a disaster to apply for, contract for and accept aid from the Federal Disaster Assistance Administration or from any other federal agency offering aid and assistance.
12. To see whether the Town will vote to prohibit the Selectmen from transferring title to the so-called Chase Lot and the so-called Mills Lot without specific authorization by vote at a Town Meeting.
13. To see whether the Town will vote: (1) to authorize the New Hampshire Housing Authority to operate in Deerfield and (2) to approve the application of the provisions of Section 23 of the U. S. Housing Act of 1937, as amended, to the Town of Deerfield, both of the above subject, however, to obtaining the consent of the Selectmen and any local housing authority which may be hereinafter established in Deerfield for each project.
14. To see whether the Town will vote to dissolve the Advisory Budget Committee.
15. To see whether the Town will vote to accept the sum of \$500 bequeathed to the Town of Deerfield by Laura B. Cook, said \$500 to be safely invested and the income to be expended for the care of the Bickford Lot in Philbrick Cemetery situated on South Road in South Deerfield and any surplus income to be paid into the general funds of the cemetery to care for other lots, driveways, grounds, fences and other needs within the area occupied for cemetery purposes.
16. To see whether the Town will vote to prohibit, subject to a penalty of up to \$50 for each day of violation, the storage of gasoline and other volatile fluids and chemicals in amounts in excess of 15 gallons without obtaining a permit from the Town Fire Chief, or his designate, who shall issue a permit for a fee of \$2.00 upon being satisfied that the storage meets adequate safety standards for the public and for fire fighters.
17. To see if the Town will vote to raise and appropriate the sum of \$500 for the purpose of celebrating the Nation's Bi-Centennial and to make this money, together with other monies that may be subsequently voted by the Town, available to the General Committee established by the 1973 Town Meeting with the stipulation that any funds remaining after the Bi-Centennial period will be returned to Town general fund.
18. To see whether the Town will vote to authorize the Selectmen to sell the small strip of land located on Route 107 which it acquired from G. H. Robinson and Mary C. Robinson to whichever of the abutting property owners offers the highest bid, subject to right of the Selectmen to reject any and all bids.
19. To see whether the Town will vote to authorize the Selectmen to appoint the highway agent each year beginning with the term commencing at Town Meeting Day 1975, pursuant RSA 245:6.

20. To see if the Town will vote to authorize the Selectmen to sell the grave sites in the Old Center Cemetery.

21. To see if the Town will authorize the establishment of a Conservation Fund, in accordance with RSA 36-A:5, to allow the whole or part of any money appropriated or acquired in any year to accumulate from year to year. Money may be expended from said fund for the purposes as outlined in RSA 36-A:2 and RSA 36A:4.

22. To see if the town will vote to designate that portion of Mt. Delight Road known as Meetinghouse Hill Road from Rt. 107 to Old Center Road as scenic beauty of Deerfield and, further, that the Selectmen of said Deerfield shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7 (I).

23. To see if the town will vote to designate Whittier Road from Griffin Road to the dead end as scenic under the provisions of RSA 253:17 & 18, for the purpose of protecting and enhancing the scenic beauty of Deerfield and, further, that the Selectmen of said Deerfield shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds under RSA 241:7 (I).

24. To see if the Town will vote to raise and appropriate the sum of \$500 for water holes.

25. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this  
of our Lord nineteen hundred and

14<sup>th</sup>

day of February, in the year

*Edgar C. Perry*  
*John J. McNamee*  
*D. H. Lewis*

Selectmen  
of  
Deerfield

#### REPORT OF THE ADVISORY BUDGET COMMITTEE TO THE TOWN OF DEERFIELD

In addition to reviewing the Town budget, the Advisory Budget Committee has been investigating various areas of interest to the Selectmen and make the recommendations as shown below in relation to these areas and to the budget. It should be noted that wherever it is stated that the ABC recommends, this is to be interpreted as a consensus, or, in effect, a unanimous opinion. In certain instances, where members of the committee have not been of the same mind, the opinion submitted will be clearly indicated as a "majority" opinion or further clarified.

#### I. SUBJECTS INVESTIGATED BY THE ADVISORY BUDGET COMMITTEE

##### 1. Concerning the town reports -

After investigating and comparing prices of printing town reports, the ABC recommends that the Selectmen seek at least three bids for offset printing of our town reports and keep it at a standard size. In addition the ABC would like to see more detailed itemization of accounts in the town report than have been customary in recent years, and suggest that the minutes of the previous meeting or a summary of the same be included.

2. Concerning lay outs and discontinuances of highways -

The subcommittee working on roads has continued to investigate highways discontinued (although most of these were reported by the work of the same committee last year) and has proceeded to the task of original lay outs of town roads. All road records which the committee has been able to identify have been recorded on 5x8 cards and coded to the road map kept by the Selectmen.

3. Concerning the need for a full time Highway Agent -

The ABC feels that, with the greater demands on the Road Agent, it will soon be necessary for the Town to employ one on a full time basis. At the same time that such a step is taken, it seems that certain aspects of the Highway Agent's position should be clarified for the benefit of the Selectmen and the voters alike, such as:

- a. A salary schedule
- b. Clearly defined duties of the Road Agent
- c. A clarification of the chain of command in town government so that the relationship between the Road Agent and the Selectmen is defined with the responsibilities of each made clear.

4. Concerning the possibility of appointing a Highway Agent rather than electing the same -

A majority of the members of the ABC favor the appointment of the Highway Agent particularly if it is to become a full time job and advise the Selectmen to insert an Article in the town warrant to this effect. They also feel that, if the job becomes appointive rather than elective, that detailed specifications for the position should be worked out.

5. Concerning the Town owned highway equipment -

The ABC feel that this topic, which is so intimately related to the previous two, deserves consideration by the town as soon as possible. Once the duties and responsibilities of the Road Agent are clearly defined, it would be a logical step to consider providing the Road Agent with at least a minimum amount of equipment to accomplish the job, with the assumption that much heavy work might be done on a contracted or rental basis. It is recommended that the members of the Municipal Budget Committee during the following year make a cost study of these topics - full time Highway Agent and town owned road equipment - for possible inclusion in the budget for 1975.

6. Concerning the introduction of data processing into Town bookkeeping.

The subcommittee investigating this area has spent a great deal of time and gathered an abundance of information pertinent to the possibilities of a town of the size of Deerfield using data processing, particularly in the areas of assessment and taxation. The subcommittee working in this area would like to share this information with the Selectmen and it is the opinion of the ABC as a whole that it has a potential for use in Deerfield particularly since it would be inexpensive and would save much time in computing tax rates, sending out tax bills, etc.

7. Concerning semi-annual tax bills -

The ABC was divided in opinion on this issue, the minority favoring semi-annual tax bills because they feel that it would offer a more favorable flow of cash for town finances and the majority being of the opinion that such a procedure, while of possible advantage for town government, would be disadvantageous to the individual taxpayer.

8. Concerning a change of the fiscal year.

The ABC feel that a change to the same fiscal year followed by other governmental agencies, such as school districts, state governments and federal government, would be of benefit to the town but at this time further study is recommended for possible inclusion in the 1975 town warrant.

## II. TOWN BUDGET

In relation to the budget as proposed by the Selectmen, in general the ABC thinks that the proposed figures are conservative and realistic but would like to suggest the following changes:

ITEM	PREVIOUS	PROPOSED	RECOMMENDED	CHANGE	NOTE
5 Town Hall & other buildings	2,500.00	4,700.00	4,300.00	-400.00	1.
20 Town Maintenance, winter	27,000.00	30,000.00	27,000.00	-3,000.00	2.
29 Conservation Commission	500.00	500.00	100.00	-400.00	3.

## REFERENCE NOTES:

Note 1. Itemization of needs by the Selectmen under this item contained a larger amount than actually allotted in their planning to the various items such as new chairs, storm windows, grading, etc., so the ABC feel that they could probably do with the smaller amount recommended.

Note 2. At best the figure for winter roads is an educated guess and, in view of last winter's expenditure of less than \$22,000.00, it seems realistic to budget \$27,000.00 for the ensuing year.

Note 3. Since the Conservation Commission is asking, in the Town Warrant, for \$500.00 for matching funds for a Ford Foundation Grant, we feel that the amount raised here must reflect needs for operating expenses and that, in view of the expenditures of the previous year, \$100.00 is more realistic for this figure.

## For the Advisory Budget Committee

Warren Billings      George Menard  
Joseph Brown      William Sanborn  
James Buzzell      John Williams  
Mary County      Jonathan Winslow

### ANNUAL TOWN MEETING, MARCH 6, 1973

Ballot boxes were shown to be empty.

Meeting called to order by the Moderator, Joseph T. Brown at 10:13 A.M.

The following Election Officials were present: Mrs. Irene Shores, Mrs. Nettie Farr, Mrs. Lucy Bowden and Mrs. Jacqueline Florence. Assistant Moderator was Kenneth Gelber. Mrs. Priscilla Watts served as Deputy Town Clerk. Robert Stevens was Gatekeeper.

Warrant read by the Moderator through Article 1.

Polls declared open.

Challenge by Preston B. Wares as follows: "Mr. Moderator, I challenge the accuracy of the acreage represented in the petition, believing it to be less than the required 20%, and ask that this challenge be recorded in the minutes of this meeting."

Polls declared closed by the Assistant Moderator Kenneth Gelber at 6:00 P.M.

Counting of ballots began immediately.

Additional Ballot Counters were as follows: Elsie Brown, Esther Rhuland, Howard Maley, Dorothy Ross, Emerson Densmore, Stephen Amazeen, Katherine Williams, John Cole, Virginia Gluckert, Elaine Alexander, Linda Tuttle, George Chandler, Terri McCain, Marion Smith, James County and Roger Mathes.

Meeting called to order by the Moderator at 8:08 P. M.

Allegiance was pledged to our country's flag. Meditation was led by the Moderator.

The Moderator introduced the Board of Selectmen, The Clerk of the Board, Town Clerk, Deputy Town Clerk and James McIntyre serving as parliamentarian.

Warrant read in full and the certification of same.

Moderator stated we would be following Robert's Rules of Order as far as feasible.

Moderator read notice of meeting to be held March 29 at the Town Hall, at 8:00 P.M., for the purpose of organizing a Town Historical Society.

**ARTICLE 3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.**

Motion of Wadsworth Winslow, Jr., seconded by Maynard Farr, to raise and appropriate the sum of \$108,474.95, the budget presented by the Selectmen and approved by the Advisory Budget Committee. It was a vote in the affirmative and the motion carried.

**ARTICLE 4. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.**

Motion of Warren Billings, Jr., seconded by Robert B. Sanborn, that we authorize the Selectmen to hire money in anticipation of taxes. It was a vote in the affirmative and the motion carried.

**ARTICLE 5. To see if the Town will authorize the Selectmen to sell property acquired through tax collector deeds.**

Motion of William E. Sanborn, seconded by Robert Stevens that we authorize the Selectmen to sell property acquired through Tax Collector's Deeds.

Amendment of James McIntyre to retain property for use of the town for conservation purposes. Seconded by Rodger Grace. Moderator ruled amendment out of order: James McIntyre withdrew his amendment.

Vote taken on the original motion. Article 5 as printed. On a show of hands vote, 90 voted yes, 137 voted no. It was a vote in the negative and the motion lost.

**ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$1,329.05 for Town Road Aid The State to contribute the sum of \$8,860.33.**

Motion of Wadsworth Winslow, Jr., seconded by Kenneth Gelber, that we adopt Article 6 as read. It was a vote in the affirmative and the motion carried unanimously.

**ARTICLE 7. To see if the Town will vote to authorize the Selectmen to sell the grave sites in the Old Center Cemetery.**

Motion of Robert B. Sanborn, seconded by Mrs. Irene Shores, that the Selectmen be authorized to sell grave site in the Old Center Cemetery. It was a vote in the affirmative and the motion carried.

At this time the Moderator read the results of the balloting as follows:

For Selectman for Three Years	
Robert B. Sanborn	had 231 votes
Bernard J. Weiss	had 269 votes
For Highway Agent for One Year	
Keith Rollins	had 284 votes
Jonathan C. Winslow	had 208 votes
Scattering	5 votes
For Overseer of Welfare for One Year	
Emily B. Preston	had 376 votes
George Owen	had 30 votes
Scattering	5 votes
For Trustee of Trust Funds for Three Years	
Stanford T. Rhuland	had 444 votes
Scattering	3 votes
For Trustees of Philbrick James Library for Three Years	
Jane W. Dearborn	had 267 votes
Mary Ann Little	had 68 votes
Sylvia E. Maley	had 180 votes
Neil A. Maynard	had 113 votes
Preston B. Wares	had 224 votes
For Water Commissioner for Three Years	
Charles M. Copeland	had 345 votes
Rodger I. Grace	had 133 votes
For Auditor for One Year	
Daniel D. Briggs	had 233 votes
James A. McIntyre	had 312 votes
Robert A. Stevens	had 359 votes
Scattering	30 votes

Question: Are you in favor of the adoption of the amendment to the Zoning Ordinance as proposed by petition of the voters of this Town?

The Petition reads:

Amend Article 4A4 of the Zoning and Land Use Ordinance of the Town of Deerfield, N.H., entitled "Minimum Land Area" which reads "A lot shall not be less than 2 acres." to read "A lot shall not be less than 3 acres."

The vote was - 240 Yes - 191 No  
The Deerfield Planning Board approves, with reservations, this amendment.

The Moderator declared Bernard J. Weiss elected Selectman for a term of three years, Keith Rollins elected Highway Agent for a term of one year, Emily B. Preston elected Overseer of Welfare for a term of one year, Stanford T. Rhuland elected Trustee of Trust Funds for a term of three years, Jane W. Dearborn and Preston B. Wares elected Trustees of the Philbrick - James Library for a term of three years, Charles M. Copeland elected Water Commissioner for a term of three years and Robert A. Stevens, James A. McIntyre and Daniel D. Briggs elected Auditors for a term of one year.

Moderator stated the petition was challenged and is being reviewed by town counsel.

Richard Galway inquired what the challenge was on. Moderator stated Preston Wares' challenge was as to whether 20% of acreage was represented in the petition.

Patrick Cassier asked when and who presented the petition. Moderator stated the petition by Daniel Briggs et al was presented just before Town Meeting started and the challenge shortly after the meeting started by Preston Wares.

**ARTICLE 8.** To see if the Town will vote to raise and appropriate \$24,000.00, the State to contribute \$72,000.00, to reconstruct Bridge No. 137 - 116 located on Route 107 over Freese's Pond Neck.

Richard Gilson moved the Article be tabled. Seconded by George T. Sanborn.

Short recess, about ten minutes.

Meeting called to order.

Motion is lost.

Selectman Roger C. King read from R. S. A. on bridges. Discussion followed.

Roger C. King moved the adoption of Article 8 as read. Seconded by Robert Stevens. It was a vote in the affirmative and the motion carried.

**ARTICLE 9.** To see if the Town will vote to authorize the transfer of \$24,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as a set-off against the appropriation to reconstruct Bridge No. 137 - 116.

Maynard Farr moved that Article 9 be adopted as read. Seconded by Robert B. Sanborn. It was a vote in the affirmative and the motion carried.

**ARTICLE 10.** To see if the Town will vote to designate Whitlitt Road from Griffin Road to the dead end at the residence of Wadsworth Winslow, Jr. as scenic under the provisions of RSA 253:17 and 18, for the purpose of protecting and enhancing the scenic beauty of Deerfield and, further, that the Selectmen of said Deerfield shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7 (1).

**ARTICLE 11.** To see if the Town will vote to designate Mt. Delight Road, otherwise known as Meeting House Hill Road, from Route 107 to the junction of Old Center Road as scenic under the provisions of RSA 17 and 18, for the purposes of protecting and enhancing the scenic beauty of Deerfield and, further, that the Selectmen of said Deerfield shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7 (1).

Motion of Anna McIntyre, seconded by Christian Winslow, that Articles 10 & 11 be adopted as read. Alvin Upper read R.S.A. regarding scenic roads. Discussion followed. Charles Copeland, seconded by George Innes moved that Articles 10 & 11 be indefinitely postponed. It was a vote in the affirmative and the motion to indefinitely postpone carried.

**ARTICLE 1'** To see if the Town will vote to authorize the Selectmen to establish a committee of seven whose duties shall be to work with the Selectmen on all requirements involved in establishing a Solid Waste Disposal facility, including site, site acquisition, site preparation, access roads, equipment storage facilities, manpower and other associated needs and that further, by the adoption of this Article, the committee be requested to report on their findings and recommendations not later than July 30, 1973.

Motion of Robert B. Sanborn, seconded by Wolcott Hokanson, that Article 12 be adopted as read.

Jonathan Winslow moved to amend the Article to read November 1, 1973 in place of July 30, 1973. Seconded by Gordon Wentzell.

Erick Berglund moved a second amendment to establish a Deerfield solid waste disposal facility or to establish one in conjunction with adjoining towns.

Moderator asked Erick Berglund to withdraw his amendment. Mr. Berglund withdrew.

Amendment of Jonathon Winslow put to vote. It was a vote in the negative and the amendment did not carry.

Erick Berglund restated his amendment to establish a Deerfield solid waste disposal facility or to go in with surrounding towns. Seconded by Thayer McCain. Erick Berglund withdrew his amendment again. Thayer McCain withdrew his second.

Original motion put to vote. It was a vote in the affirmative and the motion carried.

**ARTICLE 13.** To see if the Town will authorize the Selectmen to appoint a general committee, to include representatives of organizations in Town, whose duties shall be to plan for the proper observance of the Nation's Bi - Centennial celebration in 1976 for the Town of Deerfield.

Wadsworth Winslow, Jr. moved to adopt the provisions of Article 13. Seconded by Paul Mathews. It was a vote in the affirmative and the motion carried.

**ARTICLE 14.** To see if the Town will vote to adopt the provisions of the Municipal Budget Law. (By petition)

William E. Sanborn moved the adoption of this Article as read. Seconded by Robert B. Sanborn. Voted by ballot.

Meeting called to order.

Motion of Jonathan Winslow, seconded by Maynard Farr, to go on to Article 16. It was a vote in the affirmative, and the motion carried.

**ARTICLE 16.** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to replace a like sum borrowed from the Jenness Estate Bequest in 1872 on a duly executed note bearing a six percent (6%) interest rate per annum. The same will be turned over to the Trustees of Trust Funds.

Motion of Wadsworth Winslow, Jr., seconded by Wolcott Hokanson, that Article 16 be adopted as read. It was a vote in the affirmative and the motion carried.

Results of balloting on Article 14 announced by the Moderator. 165 voted Yes, 23 voted No. It was a vote in the affirmative and the motion passed to adopt the provisions of the Municipal Budget Law.

**ARTICLE 15.** To see if the Town will vote to establish the Budget Committee at nine members-at-large and to elect, by ballot, one third of the members-at-large for three years, one third of the members-at-large for two years and one third of the members - at - large for one year at the annual town meeting in March 1974 and to further provide for the election for one third of the members-at-large for three years at each succeeding town meeting as provided by RSA 32:2 and RSA 32:3.

Wadsworth Winslow, Jr. moved the adoption of Article 15. Seconded by Robert A. Stevens. It was a vote in the affirmative and the motion carried.

**ARTICLE 17.** To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the establishment of a capital reserve fund for the financing of all or part of the cost when replacing Police and/or Fire automotive equipment. Reference RSA 35:1.

Motion of Wadsworth Winslow, Jr. to adopt Article 17 as read. Seconded by Maynard Farr.

Charles Copeland asked on what basis expenditures would be made from this fund? Roger C. King stated it would take a vote at Town Meeting to spend the funds.

Motion put to vote. It was a vote in the affirmative and the motion carried.

**ARTICLE 18.** To see if the Town will vote to increase the size of the Conservation Commission from the present five members to seven.

Alvin Upper moved the adoption of Article 18 as read. Seconded by James McIntyre. It was a vote in the affirmative and the motion carried.

**ARTICLE 19.** To see if the Town will vote to authorize the collection of taxes semi-annually, beginning with the year 1974, in accordance with RSA 76-15-a, b, (supp) as amended.

Motion of G. Donald Tomilson that Article 19 be adopted as read. Seconded by Wolcott Hokanson. 73 voted Yes, 105 voted No. It was a vote in the negative and the motion was defeated.

**ARTICLE 20.** To transact any other business that may legally come before said meeting.

Resolution made by Neil Maynard as follows:

To United States Government  
Post Office Department

Resolution:

Whereas, there are five Post Offices which currently supply the residents of Deerfield, one of which is a new Post Office within the Town.

Whereas, unnecessary confusion and delays result from the deliveries from five Post Offices.

Whereas, coordinated mailings within the Town are difficult with this system.

Whereas, the population of Deerfield continues to increase.

Whereas, the residents of Deerfield are desirous of improving the image of the town.

Be it therefore Resolved, all mail for the residents of Deerfield to be handled by our new Post Office in Deerfield.

March 6, 1973

Signed: Neil A. Maynard

Resolution put to vote. It was a vote in the affirmative. The Resolution passed unanimously

Motion of James McIntyre, seconded by Wadsworth Winslow, Jr. to authorize the Selectmen to allocate any further monies received under the State and Local Fiscal Assistance Act of 1972.

James McIntyre withdrew his motion. Wadsworth Winslow, Jr. withdrew his second.

Senator William E. Sanborn spoke on the Senate holding area meetings throughout the State. A show of hands favored the Senate coming to this area for one of their meetings.

Resolution of Alvin Upper to hold more open meetings prior to Town Meeting, for explanation of the warrant. Voted in the affirmative. He chided persons in charge of the Town Report as it was not received until he came into meeting tonight.

Frederick McGarry asked what the ruling was on Article 2 relative to the amendment to the Zoning Ordinance with 240 Yes votes and 191 No votes. Moderator stated a majority voted in favor, we do not have a 2-3 majority. The protest petition has to be studied

On motion of Winfred Hutchinson, Jr., seconded by Robert B. Sanborn, it was voted to adjourn at 11:35 P.M.

A true record,

Attest:

Ruth S. Sanborn  
Town Clerk

The following ruling was received from the Moderator, March 13, 1973:

"After examination of the tax records of the Town and records and plans of the State of New Hampshire Water Supply and Pollution Control Commission and Planning Department, I hereby rule that Article 2 of the 1973 Warrant for Town Meeting amending Article 4 (A)(4) of the Zoning Ordinance carried by a majority vote of 240 in favor of the amendment to 191 opposed. The petitioners seeking a two-thirds vote on said Article under RSA 31:64 are not the owners of twenty percent of the area included in the proposed zoning change, and therefore, a simple majority vote was all that was required."

Joseph T. Brown  
Moderator

Town Clerk

#### SPECIAL TOWN MEETING, JULY 16, 1973

The Special Town Meeting was called to order by Moderator Joseph T. Brown at 8:00 P.M.

Warrant read.

Election Officials present were: the Board of Selectmen, Roger C. King, John Sherburne and Bernard J. Weiss; Moderator Joseph T. Brown; Town Clerk Ruth S. Sanborn, and the Assistant Town Clerk Priscilla J. Watts.

Roger C. King, Chairman, explained Article 1 and Article 2.

**ARTICLE 1.** To see if the town will vote to authorize the Selectmen to expend funds remaining in the Revenue Sharing Fund, after the contract on Bridge No. 137 - 116 has been awarded, on improving the town's Class V highways but not exceeding in total the sum of \$39,386.90 plus accrued interest.

Motion of Senator William E. Sanborn that Article 1 of the Warrant be accepted with the following change: the figure \$39,386.90 and words "plus accrued interest" be deleted and the figure of \$30,000.00 be substituted in place thereof. Motion was seconded by Bernard J. Weiss. Discussion followed. Wadsworth Winslow, Jr. moved the question. Motion of Senator Sanborn put to vote. It was a vote in the affirmative, the motion carried unanimously.

**ARTICLE 2.** To see if the town will vote to authorize the transfer of all Revenue Sharing Funds remaining, after the contract on Bridge No. 137 - 116 has been awarded but not exceeding in total the sum of \$39,386.90, plus accrued interest, from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use in improving the town's Class V highways.

Senator William E. Sanborn moved Article 2 to be adopted but not to exceed \$30,000.00 and the words "plus accrued interest" be eliminated. Motion was seconded by Bernard J. Weiss. It was a vote in the affirmative and the motion carried unanimously.

**ARTICLE 3.** To see if the town will authorize the Selectmen to sell property acquired through Tax Collector's deeds.

Wadsworth Winslow, Jr. moved that Article 3 be adopted as read. Motion seconded by Claude Daley. Selectman King stated the only piece of land the Selectmen would like to move is the Ross property. Motion put to vote. 47 voted yes, 19 voted no. It was a vote in the affirmative and the motion carried.

**ARTICLE 4.** To see if the town will vote to plow private roadways and driveways and to authorize the Selectmen to establish a schedule of fees therefore.

Herbert Kroitzsh stated Article 4 is not worded the same as their petition. Mr. King said the petition was not received until after the warrant was posted.

Preston Wares moved this Article be indefinitely postponed. Seconded by George Sanborn. Motion put to vote. 17 voted Yes, 51 voted No. It was a vote in the negative and the motion did not carry.

Motion of Paulette Griffin, seconded by Claude Daley, to plow the roads free of charge. Motion declared illegal.

Motion of Charles Copeland, seconded by John Williams, that the Town plow private roads and private driveways and the Selectmen determine and put into effect a schedule of fees that will pay the full cost of this plowing work. Accounting of driveway plowing to be published annually in the Town Report. Amendment by Herbert Kroitzsh, seconded by Edward Henry, schedule of fees be \$1.00 per family per storm. Moderator ruled the amendment illegal. Donald Tomilson moved the question. Motion of Charles Copeland put to vote. It was a vote in the negative, and the motion was lost.

On motion of Robert B. Sanborn, seconded by Donald Tomilson, it was voted to adjourn at 9:20 P.M.

A true record

REPORT OF THE DEERFIELD  
SOLID WASTE STUDY COMMITTEE

Deerfield is required by law to discontinue it's open burning dump by July 1, 1975. The Deerfield Solid Waste Disposal Study Committee was appointed to investigate alternative methods of solid waste disposal and recommend to the Board of Selectmen a course of action for the Town of Deerfield.

Our Initial efforts have been directed towards the following:

1. Projecting population growth and solid waste production in Deerfield to the year 1995.
2. Investigating Town owned property to assess suitability for sanitary landfill operations. This involved land survey and conducting soil sampling and testing by the Soil Conservation Service.
3. Investigating possibilities of a regional solution to this problem. Adjoining towns have been contacted and we have met with the Southern New Hampshire Planning Commission.
4. Investigating availability of Federal, State or private agency funds to assist in financing.

Presently we are looking into the following alternatives to Deerfield's open burning dump:

1. Sanitary Landfill - Under this method solid waste is disposed of by compacting it and covering it daily with earth. Major capital outlays would be required for land, site preparation and heavy equipment. Equipment should be shared with the Highway Department for this to be justified economically. It would be desirable to have a recycling effort in conjunction with this to conserve land usage and generate revenue.
2. Solid Waste Disposal Contractors - This would involve the centralized collection of Deerfield's solid waste to be hauled by an independent contractor to a commercial regional sanitary landfill outside of Deerfield. Several Southern N.H. towns are voting to allow these landfill operations at their 1974 town meetings. Firm cost figures are not yet available but preliminary figures indicate this would be attractive as a short range solution.
3. Deerfield Regional Commercial Sanitary Landfill - This would establish a regional landfill operation in Deerfield and operated by a private commercial firm. Deerfield's solid waste would be disposed of without cost to the town, and the operation could be revenue producing through taxes and landfill fees. There are disadvantages, however, which offset these benefits such as increased truck traffic, and highway deterioration and the stigma of Deerfield being a "host" community.
4. Incineration - There are small incinerators presently available which could adequately handle Deerfield's short range solid waste disposal needs. However, when long range population growth is considered as well as the uncertainty of future air pollution regulations, this alternative is not feasible.
5. Municipal Composting - This method has been used successfully in Europe and certain areas of the U.S. on a large scale. It requires a substantial investment in shredding and refuse turning equipment and would not be feasible in Deerfield.

## OFFICE OF THE BOARD OF ADJUSTMENT

P. O. BOX 155

DEERFIELD, NEW HAMPSHIRE 03037

### ANNUAL REPORT BOARD OF ADJUSTMENT

During the first four months of 1973 the Board of Adjustment received twenty-three applications of appeal, one more than received during the entire year of 1972, proving that appeal cases were definately on the upswing.

For some time the members of the Board have felt that when an application was presented to the Clerk it should be accompanied by a fee, enough to at least cover the cost of advertising, this was also a recommendation of the Advisory Budget Committee last year.

In May 1973 a business meeting was held by the Board at which time the forms used by the board were revised and adopted by unanimous vote of the Members, revision to become effective June 12, 1973, after which date any application for appeal filed with the Clerk of the Board must be accompanied by a fee of \$15.00, payable to the Town of Deerfield, New Hampshire.

As in previous years the regular meetings are held the fourth Tuesday of each month unless otherwise called by the Chairman.

All appeals must be made on Forms that have been adopted and made available by the Board. Forms must be obtained from either the Planning Board, Building Inspector or the Board of Selectmen.

During the year 1973 the Clerk of the Board received and duly recorded forty-two applications of appeal.

All notices were duly published and posted by the Clerk as required by law.

One case withdrawn prior to hearing.

One case not heard, out of the Board's jurisdiction as per Legal Ruling of the Planning Board.

Forty open hearings held with the Board rendering decisions as follows:

26 Appeal Cases . . . . .	Approved
14 Appeal Cases . . . . .	Denied

Since the enactment in June 1973 of a \$15.00 Filing Fee the Town has realized the amount of \$255.00 to help defray the cost of advertising cases.

Respectfully Submitted,

BOARD OF ADJUSTMENT, Russell W. Bowden

Preston B. Wares     Roger V. Mathes  
Thomas L. Fowke     Willard R. Whiting  
Appointed Alternate - Norman M. Gluckert

### REPORT OF THE PLANNING BOARD

On May 23, 1973 the Planning Board, after the required public hearing, amended the Subdivision Regulations. These were later further amended as a result of further hearings.

At the Annual Town Meeting of March, 1974 the voters will have the opportunity to act on minor changes to the Zoning Ordinance, that are mainly for clarification.

During the year the Board has approved eighteen applications for minor subdivisions, one application for a major subdivision and has one major subdivision and three minor subdivisions pending.

## REPORT OF THE BUILDING DEPARTMENT

January 1973 to January 1974

### The Art of Building

The art of building in America has been one of gradual development from the log cabin, sod house and adobe buildings of the early settlers to the modern convenience and comfortable structures we know today. The early school of architecture was largely concerned with artistic design; engineering was one chiefly involved in strength of materials. Questions of health and fire safety were neglected, or at least treated as of minor importance. For this reason it has been necessary to enact building laws; measures giving legal control by duly constituted authorities over the construction permitted.

A Building Code is really a set of rules to keep people from getting hurt. Through short comings in building construction, a man may get hurt either physically or economically. Physically he may be injured by collapse of the structure, by falling through unguarded openings, by being burned, through sickness resulting from improper sanitation and many others.

Not only does the Building Code concern itself with individuals; to achieve its purpose, a Building Code must concern itself with reasonable safety to the community, to the occupants of a building and to the building itself, with the affects of fire, since fire is one of the greatest potential sources of injury to people and community.

Therefore, it is essential that persons or a person contemplating construction, additions, alterations, to remove, or demolish a building or structure should first consult the Building Inspector, and make a formal application to obtain a Building Permit.

55 PERMITS WERE ISSUED IN 1973

GEORGE W. OWEN  
Building Inspector

### CIVIL DEFENSE REPORT

All organization charts have been updated, all annexes have been brought up to date and sent into the Concord State Civil Defense Office for approval.

The 4-wheel drive vehicle purchased last year has been completely rebuilt and a 800 gallon tank plus a 350 GPM pump installed by the Volunteer Fire Department, and is in operation.

A Porter Power Rescue Kit for emergency rescue work has been purchased and is on the Rescue Van.

We are happy to announce that a First Aid Course in Basic First Aid and Advanced First Aid has been held for the Fire Department and Auxiliary and Police Department and Auxiliary. It was put on by Hurd's Ambulance service from Concord.

A Portable Resusitation Life Saving Kit was purchased and is on the Rescue Van.

TOTAL APPROPRIATION \$1,000.00

Following is a list of Supplies and Equipment for 1973:

Auto Electric, parts	76.30
Mackenzie Motors, parts	66.10
Ross Watts, insurance on Rescue Van	111.00
Blanchard Association, Porter Power Rescue Kit	418.50
Hurd's Ambulance Service,	167.50
Resusitation Life Saving Kit - First Aid Class	
Treasurer, State of N.H., Miscellaneous	50.50
Tool boxes, 4 draw file, desks, hoses, food containers (Value \$427.00)	

TOTAL 889.90

BALANCE \$ 110.10

Note: \$50 turned over to town for sale of  
truck body.

GEORGE CLARK  
Civil Defense Director

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our State by the Forest Fire Warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the Fire Warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The Fire Warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

## REPORT OF HEALTH OFFICER

In May of 1973 the previous Health Officer resigned and it wasn't until July that I was appointed Health Officer and Mrs. Dorris Grace appointed as my assistant. During the remaining portion of the year only one serious case of communicable disease, scarlet fever, was reported. A total of nine sewage disposal systems for new homes were inspected and approved. Water sampling in Pleasant Lake was conducted in September and it was found that at least two sections of the shore line had seriously high bacterial counts, one sufficiently high to prohibit bathing. Sampling was also conducted in the stretch of the Lamproy River from Freese's Pond to just south of the Deerfield Camping Area. Several of these samples were also high in bacteria. Future samplings of both Pleasant Lake and the Lamproy River will be conducted in 1974 to locate the sources of the pollution. Various complaints were received regarding litter at the north end of Pleasant Lake and trash barrels will be placed there for the 1974 summer season. Other activities included investigation of nursery homes and foster parent's homes; issuance of orders for the correction of inadequate sewage disposal systems; investigation of complaints; and communication and meetings with members of the State Division of Health and the New Hampshire Water Supply and Pollution Control Commission.

Respectfully Submitted

FREDERICK J. MCCARRY, P.E.  
HEALTH OFFICER

### RURAL DISTRICT HEALTH COUNCIL

#### ANNUAL REPORT

January 1, 1973 - December 31, 1973

The Rural District Health Council became of age during the past year. The organization has separated from the Portsmouth Rehabilitation Center and is now an independent certified Home Health agency supplying comprehensive health services to its member towns. In March, the towns of Farmington and Milton voted to join the Rural District Health Council, so the number of people covered by the organization was expanded to 14,257. The Board of Directors voted to move the office from Portsmouth to Farmington and this was accomplished on April 15, 1973.

As a result of expansion and relocation, our staff has grown to six nurses, a physical therapist and a secretary - bookkeeper. The staff nurses employed by the agency include Mrs. Cynthia Bleed, Agency Supervisor; Miss Arlene Thorne who has worked faithfully and tirelessly since the program was initiated; Mrs. Ardala Houle who is now coordinating Patient referrals in the area hospitals and nursing homes, and also coordinates the Well Child Clinics; Mrs. Barbara Drew who is well known in Farmington where she has been the visiting nurse for many years; Mrs. Myrtle Walsh of Milton who has been active in nursing in the area and joined the staff on May 1st; and Mrs. Lucy Myers of Deerfield, a newcomer to the area who has had previous visiting nurse experience. Mrs. Kathleen Hansen, a registered physical therapist, has a fine varied background in her field. Mrs. Norma Davis is a very capable secretary-bookkeeper who handles much of the office detail.

The value of home care becomes increasingly evident as indicated by the size of the morbidity case load. Three Well Child Clinics are held monthly with several extra clinics scheduled throughout the year. These are sponsored by the Council in cooperation with the N.H. State Department of Public Health. An addition to the clinic program this year was a Dental clinic for children from 3 to 6 years who were enrolled in the Well Child clinics. This was possible through the cooperation of N.H. Bureau of Dental Public Health, Division of Public Health. A total of 227 children participated in this program.

The Strafford County Prenatal and Family Planning Clinic has expanded its area of coverage and the Rural District Health Council works very closely with this group making home visits to all of the patients from the area enrolled in the clinics. The Council is also involved with the Exeter Area Family Planning Clinic.

The Seacoast Regional Counseling Center in Portsmouth has developed an After-care program for Rockingham County to do follow-up for patients being seen at the Center and also patients being discharged from the N.H. State Hospital. The Rural District Health Council provides the nursing care for patients being treated from member towns. The Strafford Guidance Center is currently planning a similar program for Strafford County and the Council is represented on the planning committee for this service.

The Council is represented on a steering committee planning for Homemaker-Home Health Aide services for Strafford County. It is hoped this much needed service will be available in the coming year.

The Rural District Health Council worked in cooperation with the Milton Community Health Service in providing tuberculosis screening, Hearing and Vision screening, and Diabetic screening which were well received by area people.

The Rural District Health Council has been supported by the funds contributed by the member towns at an annual rate of \$1.00 per capita, state grants and fees for service. Anyone interested in the program or needing service is asked to contact the office in Farmington, P.O. Box 563, 6 South Main Street, Telephone 755-2989.

#### **TOWN OF DEERFIELD NEW HAMPSHIRE**

##### **REPORT OF THE SELECTMEN**

The Selectmen are, and have been, concerned with many areas that will affect the welfare of Deerfield in the immediate years ahead. These touch upon, but are not necessarily limited to, items such as a full time Highway Agent, a full time Police Department, Town owned equipment, new buildings to house equipment and to provide additional office space, highway improvements, semi-annual collection of taxes, change from a calendar year to a fiscal year, conversion of records to data processing particularly tax records, and the resolution of the solid waste disposal problem. With the exception of solid waste, which has been referred to a special committee, most of the others have been referred to the Advisory Budget Committee for study and the recommendations of both committees will be found in their reports.

A basic area that concerns us all is that of taxation and the need to equitably distribute the burden and in that context we should comment briefly on the 1972 re-evaluation of the Town. It should be pointed out that normally a project such as this is extended over a two year period and to accomplish it in one year, generating new sets of records, correcting other records and using the information for tax purposes the same year was a major task for those who did the work and the general acceptance by most indicates they did their work well under the circumstances. The schedule, developed for 1972, will be the basis for all new assessments until such time as all are revised and new schedules produced.

The tax maps are constantly being updated and new holding brackets have been installed at the Town Hall for convenience and accessibility of those who wish to view the maps. Tax maps are mandatory for all by 1980 and because Deerfield early saw the value of these maps it has now had the use of them for many years and also saved the Town several thousand dollars based on current estimates.

Through the cooperation of Chief of Police Guyette a "Blue Phone system" was installed in Deerfield, enabling the citizens to reach several phones, and not just one when calling the Police. This seems to have met with general approval and resolved what had been a problem area.

The past year the Town was able to rebuild several miles of Class V highways to T.R.A., or better, standards and to pay its share of rebuilding the bridge on Route 107 at Freese's Pond and to do the usual maintenance without adding greatly to the tax burden by the use of normal highway funds and Revenue Sharing Funds. We are pleased to report that due to fortuitous events the Town was able to rebuild in the vicinity of three miles of Nottingham and Cate roads at a cost to the Town of approximately \$14,000.00. Normal minimum estimates for this type of rebuilding is \$25,000.00 per mile.

As a result of the adoption of a resolution by the Town Meeting, unanimously, on March 6, 1973, calling for the establishment of a route to handle Deerfield mail out of the Deerfield Post Office, we are able to report that through the excellent cooperation of the Postal Service such a route will become a reality during the period May 1 to 15, 1974.

The Nation celebrates it's Bi-Centennial in 1976 and a general committee has been formed and is now in the process of formulating plans and proposals that will best express Deerfield's recognition of this event.

A major change will take place in the process of proposing budgets starting this coming year when Deerfield goes under the New Hampshire Municipal Budget Act. The elected Budget Committee will assume the responsibility, rather than the Selectmen and the School Board, of formulating the respective budgets and also must comment on any warrant article that entails the expenditure of money.

The Selectmen have undertaken to plot and survey all known Town property and through the cooperation of Mr. John Brinkler this project is on its way to completion.

For some time proposals have been made that as much as possible of the Town's business should be conducted at the Town Hall, with equipment, records etc. being stored, or filed, there and those responsible for the conduct of Town business establishing regular hours when they might be available. With the renovating and remodeling of the second office at the Town Hall this is now possible and the Town Clerk and the Clerk to the Board of Selectmen have posted regular hours and others are using this area for record keeping purposes. The tool shed has been removed and the area to the rear of the Town Hall has been filled and graded. This spring will see the completion of the parking area and driveways at both sides of the Town Hall.

The Board of Selectmen is most appreciative of, and wishes to express it's thanks to, all those who have served on the many unpaid Boards, Commissions and Study Groups that are so necessary for local government to properly function, and we would also want to include in our expression of appreciation all those who, while not a member of the groups mentioned above, have contributed in any meaningful way to make Deerfield a better place in which to live.

## REPORT OF THE DEERFIELD CONSERVATION COMMISSION

The summary of achievement for the year 1973:

1. The promotion of the "Pitch In" anti-litter campaign.

A: In conjunction with the above program, Mr. Champion and children of upper grades of the George B. White School participated in a Deerfield Conservation Commission sponsored poster contest stressing the theme of "conservation".

B: Prizes were awarded to the pupils who displayed, in the opinion of the principal and judges, the best exemplification of the theme.

2. The Commission coordinated the efforts of many organizations and individuals in the annual spring clean up program of the roadside areas throughout the town.

3. The Conservation Commission made application for a Ford Foundation Grant which was approved and the amount of \$1,250 was awarded to Deerfield. This money, partially matched by town funds, is to be used to study land usage, land acquisition and receipt of land donated also for future planning from a conservation and recreational viewpoint.

4. A practical application, of the Ford Foundation Grant, was the recent open meeting which was held earlier this year and sponsored by your commission. This regional meeting was to further clarify changes to the New Hampshire laws, relative to SCENIC ROADS and other conservation related laws. Also at this meeting a representative of the Glass Container Corporation of America was on hand to show a film and answer questions on the recycling of waste glass. The views of a selectman and legislator were given by Roger King, first selectman of Deerfield and representative to the general court (rural district no. 1). Senator William Sanborn, 17th district spoke on ways of acquiring land by the town for conservation purposes.

5. The commission has discussed with the officials of the boy scout troupe, the potential use of the McNeil conservation area.

6. During 1973 the commission vacancies were filled and commission was expanded to the statutory limit. This gives the committee a cross-sectional representation from the town. Working closely with the selectmen and other officials the Deerfield Conservation Commission will be very active in 1974 to provide the town with realistic and practical conservation programs for our present and future needs.

"CREATED SOLELY TO SERVE THE FUTURE GENERATIONS OF DEERFIELD CITIZENS"

THE STATE OF NEW HAMPSHIRE  
DEERFIELD SCHOOL DISTRICT WARRANT

To the Inhabitants of the School District in the Town of Deerfield,  
qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District,  
on the 2nd day of March, 1974, at 2:00 o'clock in the afternoon, to act  
upon the following subjects:

1. To see what sum of money the District will raise and appropriate  
for capital improvements and operating expenses including the salaries  
of School District Officials, and agents, and for the payment of statutory  
obligations of the District, and to authorize the application and  
appropriation of such sums as are estimated to be received from the State  
Equalization Fund, and all other income, the School Board to certify to  
the Selectmen the balance between the estimated revenue and the appropri-  
ation, which balance is to be raised by taxes by the Town.

2. To see if the School District will authorize the School Board to  
make application for and to receive in the name of the District such  
advances, grants, and aid or other funds for educational purposes, or  
related thereto, as may now or hereafter be forthcoming from the United  
States Government or any State Agency.

3. To see if the District will vote to authorize the School Board  
to accept gifts and donations.

4. To see if the District will vote to ratify the contracts made by the School Board with the Manchester High Schools, Raymond High School and Coe-Brown Academy which contracts designate the before mentioned schools as schools maintained by the District; and to authorize the Board to submit these contracts to the State Board of Education for approval.

5. To see if the District will vote to authorize any student presently enrolled in a secondary school other than those listed in Article No. 4 as maintained by the District to complete his or her course of studies at said school and to authorize the District to continue to pay tuition for that student limited to the maximum amount of tuition charged by the schools maintained by the District.

6. To see if the District will vote to authorize the School Board to continue providing bus transportation to the Manchester High Schools with the understanding that said bus routes, except for students under fourteen years of age, shall be supported solely by the fares paid by the students.

7. To see if the District will vote from this day forward to indemnify and save harmless from loss or damage any person employed by it, including the Superintendent of Schools and any member of the School Board, administrative staff or agencies, from personal financial loss and expense including reasonable legal fees and costs if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property of the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office.

8. To see if the District will vote to authorize the School Board to purchase a comprehensive general liability insurance policy in order to protect the School District employees, officers, administrative staff and itself against personal liability suits.

9. To see if the District will vote to authorize the School Board to expend the sum of \$1,600 (sixteen hundred dollars) for the construction of a small building to store school district equipment.

(inserted by petition)

10. To see if the District will vote to authorize the Deerfield School Board to expend the appropriate sum for the salary of a music teacher for three days each week at the George B. White School during the 1974-1975 academic year.

(inserted by petition)

11. To act upon any other business which may properly come before this meeting.

Given under our hands at said Deerfield this 8th day of February, 1974.

# ADVISORY BUDGET COMMITTEE REPORT TO THE DEERFIELD SCHOOL DISTRICT

The Advisory Budget Committee realizes that increases in school expenditures are, in many areas, inevitable as the cost of living rises. However, with a proposed \$50,000.00 increase over last year's budget, the proposed expenditures for 1974-1975 are a matter of concern to the committee. The following are proposals and recommendations for savings where they seemed feasible. It should be noted that wherever it is stated that the committee recommends, it is to be interpreted as a consensus. In certain instances, where members of the committee have not been of the same mind, the opinion submitted will be clearly indicated as a "majority" opinion or will be further clarified.

ITEM	PREVIOUS	PROPOSED	RECOMMENDED	CHANGE	NOTE
210.1 Principal	13,000.00	13,700.00	13,200.00	-500.00	1.
210.3 Teachers Salaries	101,085.00	110,692.00	109,674.00	-1,018.00	2.
210.4 Substitutes	1,000.00	1,600.00	1,000.00	-600.00	3.
210.9 Other Instructional Staff	2,160.00	3,420.00	3,420.00	- -	4.
220 Library and reference books	703.49	2,032.98	1,093.63	-939.35	5.
235 Contracted Services					
Concord Mental Health	- -	1,800.00	- -	-1,800.00	
320 General Supplies					
Classroom Magazines	- -	255.04	50.00	-205.04	6.
235 Contracted Services					
Concord Mental Health	- -	1,800.00	- -	-1,800.00	7.
Art	900.00	900.00	900.00	- -	8.

400 Health Services	1,350.00	1,475.00	1,475.00	- -	10.
477.1 Tuition	103,125.00	121,400.00	115,000.00	-6,400.00	11.
TOTAL BUDGET PROPOSED BY SCHOOL BOARD		\$365,260.21			
TOTAL BUDGET PROPOSED BY ABC		<u>353,797.82</u>			
TOTAL REDUCTION PROPOSED BY ABC				<u>\$11,462.39</u>	

## REFERENCE NOTES:

Note 1. The ABC recommends that the School Board establish a maximum for this position, and feel that a lesser increase may be in line since we may be approaching a maximum figure for this position for our school. It should be noted that this is \$200.00 more than the School District voted to raise for this item last year.

Note 2. The ABC feels that, while the proposed new salary schedule is desirable, that implementing it entirely in one year will bring about certain inequities in raises for that year. A majority of the ABC recommends that no teacher receive more than a \$750.00 raise in one year until he comes on schedule.

Note 3. Since there is no change in Substitute salary or the number of teachers, \$1,000.00 seems reasonable for this item for the ensuing year.

Note 4. This figure was approved by the ABC with the reservation that the library aide included in this figure be trained and qualified as a librarian.

Note 5. This figure represents about a \$300.00 increase in this figure over last year and seems adequate for the present time. It is recommended, however, that the \$450.00 of the Jenness and Philbrick Funds be added to this to supplement the funds for this item.

Note 6. \$50.00 is recommended for copies of classroom magazines to be issued from the school library. It is recommended that teachers ask parents to subscribe for their children as they have done in the past.

Note 7. The recognized need of diagnostic and prescriptive help in the case of learning disabilities would probably not be met either economically or efficiently by contracting the services of the Concord Mental Health Center. The ABC recommend that the School Board instigate a study of the feasibility of hiring a reading specialist who would be qualified to administer many of the diagnostic tests needed in the school but could also provide much of the specialized instruction that must now be provided by private agencies.

Note 8. A majority of the ABC favored this item. It is to be noted that this amount was raised for the current school year but expended for other purposes. The ABC recommends that the amount be spent only for the purpose raised.

Note 9. These funds are recommended for library use. (see note 5 above)

Note 10. A majority of the ABC favored recommending this figure as proposed by the School Board.

Note 11. The ABC feels that this item could be lowered since School Board estimates in the past have consistently been considerably higher than the actual expenditure and since no allowance has been made for anticipated drop-out rate.

Convulsive Disorder Seminar; U. N. H.  
Learning Disabilities Seminar; U. N. H.  
Drug and Alcohol Teaching Seminar; Pembroke Convention Center, one week.  
All School Nurses Meetings.

Respectfully Submitted,

Dorris B. Grace, R.N.  
SCHOOL NURSE

## REPORT OF THE SCHOOL BOARD

Your School Board, this year, has been faced with many crises. The School has been hit this year with vandalism like we have never seen before. Windows, at a cost of \$11.00 and \$12.00 each have been broken faster than we can replace them. In December, someone threw a rock on the roof next to the metal building punching a hole directly underneath the waterspout. The result was that two days of heavy rain flowed directly down into the insulation in one library area, heavily damaging our ceilings, walls and carpets.

The Board not only has been faced with the high cost of providing supplies, books, etc., but also finds itself deeply affected by the energy crisis, not only from the fuel oil and gas point of view but also from the electric power point of view. Also, this past year the 1973 N. H. Legislature put into law the requirement that the school districts tuitioning their students to a high school must pay the entire cost of such tuitions. This is to go into effect September 1974. No longer do the Deerfield voters have the right to vote only to pay the state average. We have no choice. This is another good example of the State dictating to the local government but without any funding to help the districts carry out their directives. With the advent of this new law, it makes it almost impossible to budget an accurate figure. Inasmuch as this is the largest item in our budget, you will find nearly a twenty five percent (25%) increase in this line item this year.

Last year, much opposition by our voters was voiced regarding the salary schedule of our teachers. With this in mind, the Board asked several of our fellow townspeople to act as a committee of three (3) to report back to the Board with their recommendations as to a salary schedule for our teaching personnel. A copy of their findings and recommendations can be found in the District Report.

Much pressure has been brought on the Board by teaching individuals to recognize a Teacher's Union here in Deerfield. We have steadfastly stood our ground and will not, nor do we have to, recognize any union. We feel we have been more than fair with our teachers in the past; and furthermore, feel that more can be accomplished in an informal atmosphere than can be hammered out over a table of negotiations.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

In this my last year as an administrator in Supervisory Union number 53, I wish to thank the many people who have contributed to the educational endeavor in the community.

These past four years have been somewhat difficult with the change over in personnel. Four Superintendents, three Assistant Superintendents, a Business Manager and office staff have moved in and out of the District during this period of time.

Within the framework of our operation, we have been able to adapt to each varying circumstance and have seen the slow but steady growth of a unified organizational system take hold.

In the area of curriculum development, the Board with the assistance of the Supervisory Union Office and the Principal, last year implemented a new program for reading. This year, a new math program was initiated so that all youngsters would benefit from it rather than a small minority. At the present time, our science program is being evaluated and 1974 - 1975 should find a betterment in this area. Even with these areas of improvement, we have another important part of our educational program that must be improved. This year, an outgrowth of our testing program was pinpointing the needs of many of our students in the Special Education area. Study is now being given to the area to see if an answer can be found here in our own school rather than sending the students to special education centers at a high cost of tuition and transportation.

Our Library, the heart of our educational system, must be built up not only with additional books but with more audio and visual equipment. Our playground also needs more playground equipment.

The aforementioned areas are extremely important but none is more critical at this time than the problem of solving the question "What are we going to do with our High School students?" At the present time, we have contracts with Coe - Brown, Raymond High School and the Manchester School System. With the exception of the Manchester System, which gives us a three year contract, one High School offers only a one year contract. This is why it is imperative that we find a solution as soon as possible. We are at the present time investigating the area concept with Pembroke Academy; an area or cooperative concept with Nottingham and Northwood; and we have joined Nottingham and Northwood in a study committee along with Barrington and Strafford looking into the cooperative concept. A solution must be found.

It has been a very trying year and we want to thank all of the people who presented their views at the School Board meetings during the year. These meetings were open and will continue to be and we welcome all to attend.

Joseph E. Stone  
Chairman

Not only have the educational programs in the communities been more fully developed, but the financial organization, structure, and accounting have been brought up to date with current business practices.

Our recruiting practice for both certified and non-certified personnel is by far, one of the best within the state. In 1973-74, more than 200 applicants were interviewed for approximately 30 positions.

Still many areas need to be updated and reviewed and with a fine and capable administrator in Mr. Croteau as your Superintendent for the 1974-75 school year, I am sure these other problems will be solved.

At this time I would like to thank the members of the Deerfield School Board for the assistance they offered to the children of their community and to myself for their gracious support.

Respectfully yours,  
David R. Cawley  
Superintendent of Schools

## REPORT OF THE PRINCIPAL

This past year has been one of growth. We are no longer a small country school. As the growth pattern continues toward the three hundred mark, costs and responsibilities increase. This year we registered two hundred ninety one students, and have averaged over two hundred eighty on the register at all times.

Our Gessel Testing program for all pre - school children was successful. From this testing program we were able to organize our new Readiness room. This room was placed in the hands of Mrs. Ramona Stevens, an experienced teacher. With the help of Mrs. Burton Busb we were able to supply the necessary items needed for Readiness skills. This program has been successful and should be continued.

Discipline problems were reviewed and new referral forms were introduced. This establishes a better reporting system of all school problems.

I have been working on a job description for custodians. This report was finished and accepted by the Board. This job description is an itemized record of all work to be carried out by our custodians.

Working with the Superintendent of Schools, we have drawn up a job description of the responsibilities and duties of the Principal.

I have made a study of some of the math problems. We have decided to drop modern math for all students (grades 4 - 8) except for those in the top half of their class. We will introduce a more traditional math approach for students that find modern math too difficult. This new basic approach should help all students advance faster and further in this subject.

I have been studying and reviewing new science material. We would like to introduce a new individualized, experimental program in our junior high school. Such a program would require the student to follow instructions, carry out an experiment, write the results and share his knowledge with teacher and class.

Our library is growing each year. More students use the library and more books are being checked out weekly. This library has become a vital part of our whole educational program. We have been fortunate this year to have a full time library trainee, federally funded. This is a one year training program.

I would like to thank the library volunteers and especially Mrs. Joseph Stone for their excellent work and cooperation during this past year.

Many thanks should go to the teachers and teacher aids who have volunteered their services for extra duties. Many of our teachers have given extra time at school dances, working on the yearbook and serving on various committees.

At the present time we are working on a new Student - Parent handbook. This book should be completed and ready for distribution next fall.

I would like to take this opportunity to thank the School Board for their long hours and interest in the educational programs of our school.

Frederick A. Champion  
Principal

## REPORT OF THE SALARY STUDY COMMITTEE

Committee Members: George Menard, Chairman; Joanne Wasson; George Sanborn; ex-officio members. Frederick Champion and Joseph Stone.

Committee Goal: Review present teacher salary schedule and propose a revised scale to the School Board.

The procedure toward fulfilling our goal was first of all to adopt a list of objectives which the proposed salary schedule must attempt to satisfy. The objectives agreed upon were as follows:

That the revised salary schedule must be:

- 1) acceptable to taxpayers
- 2) within resources of the town
- 3) a workable scale - i.e. reasonable to administer
- 4) designed to retain key people
- 5) designed to attract new people
- 6) competitive with towns our size

The second step consisted of carefully considering the teacher salary schedules prevalent around the state, with particular emphasis being paid to the communities immediately surrounding Deerfield which are somewhat the same size. The schools in these towns along with the George B. White School will draw from the same pool of

available teachers for their replacements.

As a concluding step in our procedure, each committee member was asked to construct independently a salary schedule which he or she felt would meet the objectives as listed above. From that effort our proposed salary schedule evolved, which follows this report.

A consideration of the schedule will reveal that there is some emphasis toward attracting and retaining qualified people to teach in the Deerfield school. Hopefully this can be accomplished without unduly straining the resources of the town.

Respectfully submitted,  
George Menard, Chairman

Suggested salary schedule for the Deerfield School District
